If you are interested in learning about Japanese culture or wish to host a presentation, please feel free to contact me. I am happy to create a presentation for your organization.

Japan Outreach Initiative (JOI) is a grassroots program that is administered by the Japan Foundation Center of Global Partnership (CGP) and The Laurasian Institution (TLI). Its purpose is to develop a deeper understanding of Japan by sending Japanese coordinators to conduct community outreach and cultural activities. The JOI Coordinator is based at the Japan-America Society of Indiana, a 501c3 cultural and educational organization.
