

## Japan-America Society of Indiana Corporate Member Job Opening Announcement

Date Posted: September 27, 2016

Company: Fuji Component Parts USA  
Location: Indianapolis, IN  
Job title: Outside Sales Representative

### Company Description:

Fuji Component Parts USA, Inc is an automotive parts distribution and manufacturing company located in Indianapolis, Indiana. Our main customers are Japanese auto manufacturers and their tier 1 and tier 2 auto parts suppliers.

### Position: Outside Sales Representative (Permanent, full time)

We are seeking an Outside Sales Representative to promote and sell our products to our automotive customers in Indiana and Mid-West.

You will utilize your sales and customer service skills in order to cultivate new customers and develop long-lasting relationships with existing customers.

### Requirements:

- Japanese and English language skill is preferred.
- Overnight trips (30-60% travel time)
- Sales/Customer service experiences is preferred.
- Self-starter with excellent work ethics
- Sincere, personable and flexible
- Proficiency in Microsoft Office Suites (Excel is a must)

### Compensation:

We offer health, vision, dental, short and long term disability insurance, 401K, and other benefits along with a generous vacation plan.

To apply, please forward your resume to [mberglund@fcp-usa.com](mailto:mberglund@fcp-usa.com).
